

The Deputy Director of Central Intelligence

Washington, D.C. 20505

16 February 1983

NOTE FOR: NIO for Warning

FROM: EA/DDCI

All of the attached looks fine to the DDCI with two exceptions:

-- As he has noted, he does not believe that direct liaison activities are appropriate for NIOs. He would have no problem with occasional meetings to keep informed as appropriate.

-- The staffing listed in para 4 appears to go much beyond the "small National Warning Staff" that you mention in para 1 of your covering memo. He believes this should be pared down to the 3-4 analysts mentioned.
